HARVEST

Vineyards planted in decomposed granite and sandy soils with north and westerly facing slopes were identified in the Franschoek and Stellenbosch areas to make this Mediterranean-style blend. Well-manicured and settled vines yielding between 5 - 6 tonnes / ha. Grapes were harvested by hand between 22.2°B – 23°Balling with good harvesting conditions throughout.

WINE MAKING

Naturally fermented in barrels at 16°C. The grapes were pressed gently up to 0.9 Bar pressure after a short period of skin contact. Partial malolactic fermentation took place in older 225L French oak barrels and a 2,500L oak Foudre. All five varietals were matured separately in barrel for a total maturation time of 10 months before being blended for bottling.

WINEMAKER'S NOTE

Elegant with spring blossoms, restrained peach, mango and stone fruit on the nose. Subtle hints of oak spice and a refined fruit expression. A rich and well-structured wine that finishes with elegance and freshness on the palate.

CELLARING

Ready for your enjoyment but will benefit from aging, drink up to 2023.

SERVING TEMPERATURE

8 - 12°C
